

HEATHENISH

SOLEMN EVENT

Was the Funeral of Senator Nishcakat Near Town of Strand

Correspondence to Daily Leader.

Strand, Okla., Oct. 11.—The apparent wisdom of the Creek nation must be a perfect paradise for all sorts of "varmints." Capt. Garfield, who has a ranch on half creek, about four miles east of Strand, says: "The woods are full of wolves, pole cat, coons, foxes, with rats and other varmints." Some from my property at pigs and shoots; about 150 chickens and two calves. I have complaints about the hawks, bad varmints from all over the Creek nation. The Anti-Boer thief association has done considerable by checking horse stealing, but the great or part in view of the increasing varmints commits greater depredations without even causing the gatton attempt to stop the hounds eight powders. The funeral of the late Senator Nishcakat was a heathenish solemn event. The remains of the noted scalper were lavishly painted and profusely adorned. Over 200 galli dressed duck and Pheasants were in attendance. Several white neighbors attended the funeral, partly from sheer curiosity, and partly for the reason that the deceased Senator Turkey was the soberest and most honest Indian in Ponca township. Four chief members of the dog-eater band built fires on the four corners of the grave, and kept them burning for three days and three nights, for the purpose of helping the departed soul of the lamented Turkey over the log on the river of death. The Bushie Indians said their dead dogs in ice-water. They first give the parkers a soaking bath in ice cold water, then they roll the dog on a hot thick bed of red hot coals. They repeat the bathing in ice water, and the warming up process on the fire bed about six times, or until the dogs are thoroughly seared or charred and are shortly ready to be baked or fried.

M. K. & T. REDUCE RATES

IN INDIAN TERRITORY.

Ever since the construction of the M. K. & T. Ry. through the Indian territory its local passenger rate between stations in the Indian territory has been on the basis of 7½ cents a mile. The customary rate of passenger fares on railroads, except in sparsely settled country, is three cents a mile. The population of the Indian territory during the past few years has grown rapidly; there has been a large increase in passenger traffic on this account, and the Ry. officials, recognizing the wants of the people and the justice of so doing, have voluntarily arranged to reduce the local passenger rate to a basis of three cents a mile. This reduction will take place on or about November 1st. There will be great rejoicing among the residents along the line of the M. K. & T.

In anaemia and most women's ailments the digestion is weak, the making of color, flesh and strength out of food, is imperfect so that the patient is weak, wan, nervous and despondent. This condition can be corrected by taking a course of Herbs. Price, 20 cents. F. B. Little & Co. and Wheeler & Son.

TUMOR CURED.

"By their fruits ye shall know them." The way to judge of the value of any medicine is by its fruits. Apply that test to Dr. Pierce's Favorite Prescription and it is at once lifted high above all other put-up medicines designed for the cure of malignant diseases. Curious forms of disease, which local physicians have failed to cure, and which have yielded to no other treatment, have been purified and permanently cured by the use of Dr. Pierce's Favorite Prescription. It establishes monthly regularity. It drives debilitating disease. It helps inflammation and ulceration and cures female weakness.

Mr. Chapman, of Tulsa, Okla., writes: "My mother had an ovarian tumor which she thought would result in her death, but we had tried every treatment and we were about to give up hope. We then turned to Dr. Pierce's Favorite Prescription and before she had taken three bottles the tumor began to improve. She is living today and we have given your medicine the credit. My mother was eighty-six years old when the tumor commenced to grow, she is seventy-one now and the tumor is gone. Her health is excellent. We begin to see you favorably presented."
